We are excited to confirm the much awaited 2018 dates for our biennial **Ultimate Killer Whale Tour!**

This luxurious summer tour takes in some of our favourite wildlife watching hot-spots on Vancouver Island and provides the best opportunity to spend quality time viewing and photographing a variety of Killer Whale eco-types as well as enjoying many of the other coastal wildlife highlights that this glorious part of the world has to offer (Sea Otters, Humpback Whales, dolphins, porpoises and Black Bears etc.).

As usual, our tour will include multiple private day-boat charters looking for coastal and marine wildlife (including two boat excursions to look for sea otters!) as well as 4 nights

onboard the Columbia III exploring the beautiful Broughton Archipelago, one of the best Killer Whale watching areas in the world.

We have tweaked our 2018 tour itinerary a bit to allow for even more boat excursions in optimal Killer Whale habitat and we'll be making a special effort to visit some of the fabulous local wineries in the south of the Island too. It is certainly shaping up to be another fantastic adventure.

As always this 14 day tour starts and finishes in Vancouver and will be based in comfortable lodges and hotels for all land-based parts of our itinerary. We dine out in good local restaurants and enjoy some of the best local cuisine throughout the course of our stay. Tour costs include all excursions and guide fees, accommodations, all meals, all tips and all taxes. There are no hidden costs. All you have to do is organize your own flights, meet us at the airport in Vancouver and we'll take care of the rest!

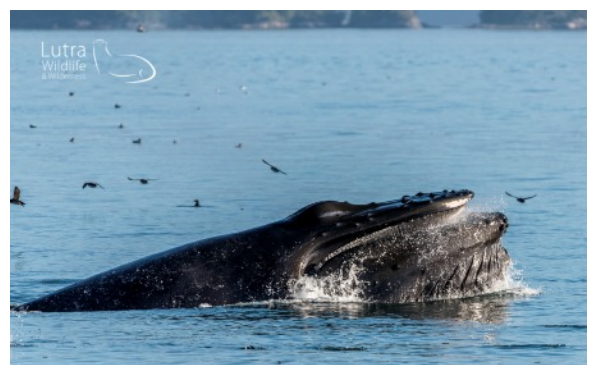

All tour costs are quoted in Canadian Dollars but, based on current rates of

exchange, tour costs are approximately £6500 per person (Excl. Flights and based on a two person share). However, to all our favoured guests we are offering an additional incentive of £700 per person discount on all bookings secured before May 1st 2017 so take your chances to grab a bargain 'at cost' tour now.

We only run this tour every 2 years at present and there are just 8 places available. We expect places to sell out fast so please contact us soon to register your interest to avoid disappointment. All places will be

allocated on a first come, first served basis."

All the best, Lee and Lindsay
